ANOTHER SUCCESSFUL WESTERN ONTARIO JUNIOR SHOW!

Woodstock, ON July 6, 2010 – The Outdoor Farm Show facilities was again the site for the super energized Western Ontario Junior Show July 2-3. In its 9th year, this overwhelmingly successful show for under 14 year olds saw a large turnout with 72 participants taking part in the 2 day-event.

Focusing on educational and informative sessions for the young people, the first day centered on teaching the basics of washing, clipping and bedding your 4-H animal at a show. The evening culminated with a showmanship clinic for the group and a fun time before the participants camped out for the night. The next day saw the eager 4-H'ers put their skills to work as they used the information gained earlier to participate in the show. Judge Gary Jebson was very impressed with the talents and enthusiasm of these individuals as he placed them in their showmanship and conformation classes.

Champion and Reserve Showmanship honors went to Champion and Reserve Sr. Showman Amy Elliott of Lambton county and Emily Franken of Huron County respectively. Champion Calf was awarded to Ben Caddey from Elgin County and Reserve went to Michael Jenkins also of Elgin.
